## OVERSPEND OVER THE HOLIDAYS?

Now that the holidays are over, did you suddenly realize that you may have splurged a little more than you planned? If you need help getting back on track, talk to one of our Loan Officers today. We may be able to help with bill consolidation, lower interest rates, and paying off your holidays before it's time to stuff the stockings again! Call us today!

### 2019 Food Drive Update

The credit union collected food items again this year to help Veterans during the holiday season. VA Medical Center employees identified those in need and distributed food to help make the holidays brighter for these Veterans. We appreciate everyone who donated to this worthwhile project. Our food drive kicks off every October, and we hope you will join us again next year as we continue to practice the credit union philosophy of "people helping people."

## Do Your Friends & Family Know What Makes a Credit Union Different?

### Help Our Credit Union Grow by Inviting Your Family to Join Our Family

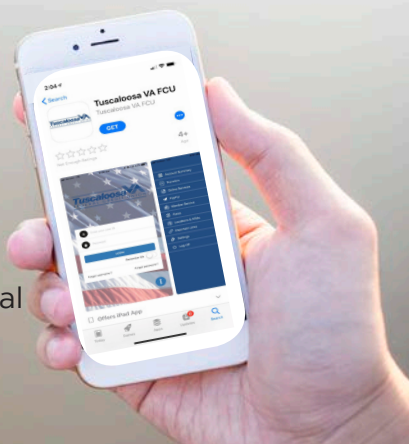

Have you ever talked to your friends and family about the credit union? Do they know that we have helped many members with their financial needs, and we can most likely help them, too! Simply invite them to join the credit union! The par value is \$5 (which means anyone who lives, works, worships, or attends school in Tuscaloosa or Sumter County, can open an account with a minimum deposit of \$5.)

Think of us for all your financial needs. We are not for profit, but income we earn from interest on loans and other member services enables the credit union to pay higher dividends and offer lower loan rates. Visit us online at **www.tvacu.com** for rates and specials!
